

Miss Rodeo Colorado Clinic- Information and Frequently Asked Questions

February 10-12, 2023

Island Grove Regional Park, 4-H Building

What should I wear?

Attendees are encouraged to wear western clothing that is neat and presentable. We recommend that you bring a light jacket or sweater to stay comfortable throughout the clinic. Hats are not required, although you are welcome to bring your hat for pictures and if you have questions about shape and fit for the presenters. Current titleholders should follow the dress requirements of their program.

What should I bring?

Attendees should bring materials to take notes during the clinic. If you would like to bring items for the clothing sale, we will start setting up for the sale at 4:30 pm on Saturday. Please let us know in advance by emailing Megan Bryant at missrodeocolorado@gmail.com if you are bringing items for the sale so that we can allow enough room for everyone.

Do I have to stay at the hotel or can I commute?

The Candlewood Suites is a sponsor of the Miss Rodeo Colorado Pageant and they are offering a discount to attendees. However, all activities for the clinic will be held at Island Grove, so there is no need to stay at the hotel if you live close enough to commute.

Do I need to bring my horse?

We will not be using any horses at the clinic. The weather is too unpredictable to schedule riding activities in an uncovered arena. We have a horsemanship clinic later in the year with details coming soon.

Can I video the clinic?

You cannot video the clinic. However, we will allow time for pictures and we will wrap up on Sunday with a short stage presentation. Parents are welcome to come in for pictures and videos of the stage review. Chelsea Stockton with Photo Chic Imagery will also be taking pictures during the event and you can view her pictures at <https://photochicimagery.smugmug.com>

Will meals be provided at the clinic?

We will have snacks and bottled water available throughout the day, but please feel free to bring your own. Meals at the clinic will include-

Friday: Dinner for those registered for the Dine and Dish event

Saturday: Light breakfast and Lunch

Sunday: Light breakfast and Lunch

How do I find the clinic?

The clinic is located at Island Grove Regional Park in Greeley in the 4-H Building. The address for the 4-H Building is 527 North 15th Avenue, Greeley, CO 80631. There are generally other events going on at Island Grove at the same time and parking can get a little crowded. There is parking available for the clinic in front of and behind the 4-H Building and there is a large gravel parking lot to the north of the Farm Equipment Building.

4-H Building

Where is the Dine and Dish event being held?

The Dine and Dish event will be held from 6-8 pm on Friday night at the 4-H Building. You must register for this event separately; it is not included with the Next Level Clinic.

Who do I contact for additional information?

You can contact Megan Bryant at 303.916.7753 or missrodeocolorado@gmail.com for additional information regarding the clinic.
